

Shane Gilbert

User Experience Designer

Experience

TJ Organic Farms | Web Design

Aug. 2019 - Oct. 2019

Designed a new website for a small business. Created wireframes, prototypes and screens. Utilized HTML, CSS, Bootstrap, Javascript to create a responsive web design

NewsFlash | Product Design

Apr. 2019 - Jun. 2019

Developed a speedreader app, with a team, tailored for dyslexics. Utilized HTML, CSS, Git, and Javascript. Created storyboards, wireframes, and prototypes.

Fast Eats | App Redesign

Jan. 2019 - Mar. 2019

Developed a web-based app within a team reimagining how users pick restaurants. Created storyboards and user personas to create low-fidelity mockups and user interfaces. Utilized user testing to create high-fidelity prototypes. Conducted A/B testing with Google Analytics.

Flying Groceries | Informational Flyer

Jan. 2019 - Mar. 2019

Led a team of 6 to discover an easier way for diabetics to carry groceries home. Performed user research, interviews, personas, scenarios, and prototyping. Ultimately pivoted, based on research, to focus on foot care.

Spinsters | Product Redesign

Apr. 2018 - Jun. 2018

Redesigned how rental bikes were parked on campus. Conducted ethnographic research, and user interviews. Created personas, storyboards, and prototypes to find the best solution for every stakeholder.

Work

UCSD HDH Catering | Student Manager

Mar. 2016 - Sep. 2018

Planned, led, and organized events around UCSD. Managed teams ranging from 30-60 associates. Developed a new-hire orientation and training program. Oversaw associate improvement and advancement.
